Sponsorship Opportunities

AAC offers excellent ways for your company to receive recognition at the 2009 Anodizing Conference. Anodizing Conference sponsorships enable you to enhance your presence and increase awareness of your support for the anodizing community. If you are a member of the Aluminum Anodizers Council, consider sponsoring one or more of the following events/items:

This spectacular event offers an opportunity to connect with industry peers in a relaxed atmosphere fostering cooperation and support within the anodizing community. This year's entertaining event is scheduled for Wednesday evening, October 7, 2009.

- Gold - \$3,000
