

Sponsorship Opportunities

Seventeenth Annual International Anodizing Conference and Exposition

October 28-30, 2008

Sheraton Fisherman's Wharf, San Francisco

Don't miss this opportunity. The Council's Seventeenth Annual International Anodizing Conference and Exposition offers you the opportunity to connect with industry professionals from around the world. This year AAC is offering industry suppliers the opportunity to participate in this key industry event through sponsorship. What a great opportunity to give your company name and logo some prominent exposure!

All sponsors will be acknowledged "from the podium" by AAC leaders during the course of the educational sessions. In addition, all Sponsors will be acknowledged on the AAC website, in the Conference program, and on signs. Representatives of sponsor companies in attendance at the Conference will be identified with ribbons on their badges. Please send us your company logo for promotional purposes.

There are several types of sponsorship opportunities available:

The **Delegate Network Event** is a spectacular event hosted by our sponsors on Wednesday evening, October 29, 2008. There are three levels of participation – Gold, Silver, and Bronze – for the Delegate Network Event. The number of Delegate Network Event sponsorships is unlimited. Gold and Silver level DNE Sponsors will be granted podium time during sessions.

Sturdy **Registration Envelopes** containing the on-site program guide, with an internal pocket for nametag and CD, will be handed to each delegate. These packets could be imprinted with your company logo, along with that of AAC. Sponsorship Commitment is \$2,000.

The **Wednesday Luncheon** presents an opportunity for an AAC Member to sponsor a meal function on October 29. All delegates will be given an advertising specialty bearing the logos of the sponsoring company and the Aluminum Anodizers Council. Sponsorship commitment is \$3,000.

The **Thursday Breakfast** is another opportunity for an AAC Member to sponsor a meal function. All delegates will be given a commemorative mug bearing the logos of the sponsoring company and the Aluminum Anodizers Council. Sponsorship commitment is \$3,000.

Make a difference with sponsorship support and receive the following benefits:

- Sign, displayed in the registration area, bearing logos of the sponsors
- Recognition in the registration brochure (if received in time for publication)
- Recognition in the Conference Program Guide
- Special graphic to distinguish sponsors among the exhibitor listings
- Sponsor ribbon for your representatives
- Recognition on the AAC website (www.anodizing.org)
- Gold- and Silver-level DNE sponsors will be invited to deliver brief presentations during the conference.

To participate as a sponsor of the 2008 Anodizing Conference, just complete the attached enrollment form and return it to the executive office along with payment. We look forward to making this year's conference a success for all concerned.

The first five gold or silver paid sponsorships to respond will be invited to deliver a brief presentation during the conference.
